Appointment of Mr. G. P. Das, Superintendent Electrical Works, as Professor of Electrical Engineering in the College of Engineering, B'lore.

WD 01965—GPB—15,000—7-7-34

Serial No.

From the Registrar, Mysore University
No 18693 d. 2.4.35
States that the University Council have resolved to advertise the post of Professor of Elec. Engg. and that it is proposed to take action accordingly.

1) From the notes in the ~~file~~ file re: Appt of Mr B. Krishnaswami Iyengar as Principal, College of Engineering, it is seen that the sanctioned scale of the College permits of the appointment of a Prof. of Elec. Engineer also during Mr Mouddawallas absence & the pay of that post is Rs 400-30-700, but the University Council have adopted instead the revised scale of 400-25-700 on the analogy of the scales sanctd recently in respect of the Arts & Science College.]

2) The University proposes immediate taking action to advertise ~~for~~ the post & the form of advertisement approved by the Council shows that they are advertising for a permanent professor subject to a probation for one year – to join duty on 24-6-1935. It is for consideration

whether the vacancy now available admits of such arrangements.

3) According to orders so far passed, Mr. Nowdawalla will only be on leave till the end of December 1935, and no definite decision has been reached as to what he will be from 1.1.1936. There is a possibility of his not returning to the College at all (according to his expectations) and his joining duty in the Electrical Dept. on expiry of leave. But in the absence of any orders on this point, Mr. Nowdawalla is to have a lien on the post of Principal until he is definitely shifted elsewhere.

In these circumstances, it is for consideration whether the University would be quite in order in making permanent arrangements from now, or whether some acting arrangements may not be made during the period of leave of Mr. Nowdawalla ~~has a lien~~ and permanent arrangements made after it is ~~decided~~ definitely decided that he ~~is not to be given~~ need not have a lien on the post of Principal

4) Pending final decision and permanent arrangements, the arrangements that could be made now could be only acting, viz. Mr. Nowdawalla on

leave. During the period of ~~the~~ this leave, this lien on the appt would continue, in the usual course, in the absence of any orders to the Contrary. In the ~~Court~~ cases, the best course would perhaps be to make some acting arrangements & consider the qn of permanent arrangements later on after the vacancy is made formally permanent.

22) The arrangements proposed by Govt are the following

(1) Mr J.P. Das to be transferred from the Electrical Department to the Engineering College as Professor of Electrical Engineering on his own pay,

(2) Mr B.S.T. Narayan to be transferred from the Electrical department to the University as Asst. Professor on a fixed Salary of Rs 400/- p.m. with no allowance

(3) Mr P.V. Krishna Moorthi Chetty to be withdrawn from the University to the Electrical Department.

23) The revised proposals sent by the University are the following:—

(a) Mr. J.P. Das may be transferred from the Electrical Department to the Engineering College as Prof. of Ele. Engineering (acting)

(b) Mr P.V. Krishnamoorthi Chetty to be continued in the University, (as Asst. Prof. of El. Engg.)

This means that the University, while accepting the transfer of Mr. J.P. Das to the Engineering College, wants the retention of the services of Mr. P.V.K. Copy of letter No.18391/Encl. 1 dated 28th March 1935 from the Registrar, University of Mysore, to the General Secretary to Government.

....

With reference to Government Notification No.2030/CB 149-34-4, dated the 21st March 1935, sanctioning the grant of leave to Mr. F.N.Mowdawalla, Principal, and Professor of Electrical Engineering, Bangalore, I am directed to state that the question of arrangements in the vacancy was considered by the University Council at the meeting held on the 16th March 1935 and it was resolved that the Council is strongly of opinion that in the interests of the College arrangements should be made for the appointment of a Principal with high academic qualifications on a permanent basis and that pending such arrangement, Government be requested to grant the loan of the services of Mr. B.Krishnaswami Iyengar, L.C.E., Executive Engineer, Krishnarajasagara, for appointment as Principal from next academical year.

Mr. Krishnaswami Iyengar will be Professor of Civil Engineering against the place on Rs.500-50-1000 sanctioned in Govt. Order No.10720-23/Uni.345-27-16, dated the 18th April 1935 and kept unfilled since the reversion of Mr. S.H.Lakshminarasappa.

? 1929 --

In view of the fact that the senior Professor's grade in the University has now been revised to Rs.700-30-850 and Mr. Krishnaswami Iyengar is now drawing Rs.780/- per mensem in the grade Rs.500-35-850 as Executive Engineer and will be entitled to Rs.815, per mensem on the 1st August 1935, Mr. Krishnaswami Iyengar's salary may be fixed at Rs.820/- in grade Rs.700-30-850 plus the Principal's allowance of Rs.100/- as from the date of his joining the new appointment. Since Mr.Krishnaswami Iyengar will be new to his work as Professor of Civil Engineering and will have

additional administrative duties as Principal, no further changes are proposed in the personnel of the Civil Engineering Department of the College. The question of the appointment of the Professor of Electrical Engineering has been reserved for separate consideration and proposals will be furnished later on.

I am to enclose herein a copy of the Council resolution and to request the favour of sanction for the appointment of Mr. B.Krishnaswami Iyengar as Principal and Professor of Civil Engineering, College of Engineering, Bangalore, on a salary of Rs.820/- in grade Rs.700-30-850 plus Rs.100/- per mensem with effect from the 24th June 1935, the appointment being on a sub-protem basis till the end of December 1935.

Mr.E.K.Ramaswamy will relieve Mr. F.N.Mowdawalla and be in charge of the current duties of the Principal until he is relieved by Mr. B.Krishnaswami Iyengar.

Sir,

I am directed to acknowledge the receipt of your letter No.21849 dated 6th instant forwarding for the sanction of Government a resolution of the University Council proposing certain arrangements in the Electrical Engineering Department of the Engineering College during the absence of Mr. F.N.Mowdawalla on leave.

Kind reference is invited to the last sentence of my letter No.2134/C.B. dated 6th April 1935 in which it was intimated that Govt. ~~will~~ wonld be ~~very~~ glad to place at the disposal of the University, the services of a suitable officer for employment as acting Professor. After ~~another~~ careful consideration of all the circumstances of the case, Government have ~~xxxx~~ arrived at the decision that the following arrangements would be the most suitable:--

the requirements of the University and the Electrical Deptt.

(1) Mr. J.P.Das to be transferred from the Electrical Deptt. to the Engineering College as Professor of Electrical Engineering on his own grade pay.

(2) Mr. M.B.T.Narayan to be transferred from the Electrical Deptt. to the University as Asst. Professor on a

fixed salary of Rs.400/- p.m. with no allowance.

and (3) Mr. P.V.Krishna Murthy Chetty to be withdrawn from the University to the Electrical Deptt.

Both the officers now proposed to be sent to the Engineering College have served in the University previously, and Government trust that the arrangements suggested above will meet with the concurrence of the University.

The favour of a very early reply is requested, ~~so as~~ to facilitate the issue of final orders in time for these officers to take charge of their new appointments when the Engineering College re-opens after the vacation.

I am directed to acknowledge the receipt of your letter No.21849 dated 6th instant forwarding for the sanction of Government a resolution of the University Council proposing certain arrangements in the Electrical Engineering Department of the Engineering College during the absence of Mr. F. N. Mowdawalla on leave.

Kind reference is invited to the last sentence of my letter No.2134/C.B. dated 6th April 1935 in which it was intimated that Government would be glad to place at the disposal of the University, the services of a suitable officer for employment as acting Professor. After careful consideration of all the circumstances of the case, Government have arrived at the decision that the following arrangements would be the most suitable:--

(1) Mr. J. P. Das to be transferred from the Electrical Department to the Engineering College as Professor of Electrical Engineering on his own grade pay.

(2) Mr. M.B.T.Narayan to be transferred from the Electrical Department to the University as Assistant Professor on a fixed salary of Rs.400/- per mensem with no allowance.

and (3) Mr. P.V.Krishna Murthy Chetty to be withdrawn from the University to the Electrical Department.

Both the officers now proposed to be sent to the Engineering College have served in the University previously, and Government trust that the arrangements suggested above will meet

with the concurrence of the University.

The favour of a very early reply is requested to facilitate the issue of final orders in time for these officers to take charge of their new appointments when the Engineering College re-opens after the vacation.

I have the honour to be,

Sir,

Your most obedient servant,

General Secretary to Government.

GENERAL SECRETARIAT 25 JUNE 1935

FROM

V. GOPALASWAMI AIENGAR, Esq., M.A.,
Registrar, the University of Mysore,
Mysore.

To H.V.Ramasvami, Esq., M.A., B.L.,
General Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No.2774/C.B. dated the 8th June 1935, regarding proposals for appointment in the vacancy of the Professor of Electrical Engineering, in the College of Engineering, Bangalore, I am directed to invite kind attention to the observation made in your letter No.2134/C.B. dated the 6th April 1935 that the vacancy is temporary and to the fact that the Government grant to the University for 1935-36 cannot be such as to meet the normal requirements of the University. Attention may also be invited to the fact that the terms of service Mr. P.V.K.Murthi in the University has, in G.O. No.E.573-6/Uni. 2-33-31, dated the 2nd August 1933, been extended for three years from the 16th July 1933.

The University Council decided that the arrangements proposed in this Office letter No.28149, dated the 6th June 1935 would be the most suitable consistently with all the above considerations. It may be mentioned that in the opinion of the Vice-Chancellor, Mr. P.V.K. Murthi is a capable teacher and competent to be in charge of the Department for the temporary period.

The Vice-Chancellor is strongly of opinion that no permanent appointment of a professor should be made until the

University of Mysore

Government.

I have the honour to be,

Sir,

Your most obedient servant,

Registrar.
